

## ZONING COMMISSION WORKSHOP MEETING, May 29, 2025

- Notification of meeting was posted at Sheridan Post Office, Walters IGA, Opportunity Bank, Sheridan City Hall, Sheridan Library, the gas station, Resolute Realty, and The Sheridan Senior Center.

Present: Charlie Rossiter, Tom Roberts, Jan Bowey, Anne Wentz, Ann Good, and Mike Walter. No guests.

Workshop began at 9:00 am.

We proceeded to work on the Zoning District Use Table, deleting and adding specific uses in each proposed district. We completed that portion of the draft that Dylan had sent.

We were nearing our closing time, so decided not to enter into the next topic at hand but to discuss items we want to put on the agenda for our regular meeting at 6:00pm on June 2, 2025 at the Senior Center.

Items we need to decide if we even want to keep in the use table include Cannabis, Casinos, adult entertainment, air B&B's.

We truly wish for public input on these and any other matters of concern.

Workshop adjourned at 11:00 am.

Respectfully submitted,

Ann Good, Secy pro tem
